

Senator Linda R. Greenstein  
1249 South River Road, Suite 105  
Cranbury, NJ 08512

Dear Senator Greenstein:

I am writing to respectfully to request that you vote to pass Senate Bill S-888 which would allow NJ STARS and NJ STARS II scholarship recipients to maintain program eligibility in the event that a medical condition prevents enrollment as a full-time student.

My son/daughter worked hard to qualify for the STARS scholarship. I am in favor of Bill S-888 because it would allow my child and others like him/her to utilize the STARS scholarship despite incurring a medical condition that was out of their control.

Thank you for your attention to my position on this bill.

Respectfully,
